Welcome to Malahide Marina

On behalf of the team, welcome to Malahide Marina, which has proudly been in operation since 1992. I sincerely hope your stay with us is a pleasant one and that you are able to enjoy all the facilities on offer both at the marina and in the immediate vicinity.

In this, our annual booklet, you will find a wealth of information about our facilities and services available and the relevant Tide Tables for the berthing year. You will also find a chart of the Malahide Estuary showing the approaches to the marina.

We are proud of the fact that Malahide Marina is successfully managed and operated by a dedicated team of well-qualified individuals all committed to providing high quality service in conjunction with the facilities on offer.

We place important emphasis on:

- Identifying our customers' needs and expectations
- Providing friendly and efficient service
- Demonstrating integrity in all our dealings.
- Safety and care of all vessels in the marina.

This past year, we were delighted to see so many of you enjoying The Coffee Cat, our unique floating social space here at Malahide Marina. It has truly become the heart of our community—a place where berth holders connect, share stories, and make plans for their next adventure.

We are also proud to announce that we now have the capability to lift up to 40 Metric Tons with the addition of our new travel hoist. At Malahide Marina, we strive to meet the needs of the boating community and this latest addition will increase the size and scope of work we will be able to help you with.

We are certain you will enjoy the atmosphere at Malahide Marina. Thank you for your interest, and enjoy your stay with us—whether overnight or for many years.

Gregor Mc Guckin

General Manager

Malahide Marina is the perfect location from which to experience the waters of the Irish Sea and to admire this scenic stretch of Ireland's coastline. For the sailor, the location is ideal for cruising – but when it comes to shore-leave, there is no better place for a stopover.

The Marina caters for 350 fully serviced berths in a well-protected inlet. Vessels up to 75m can be accommodated. Our boatyard has a newly acquired 40-ton travel hoist, and 20-ton boat-mover, which has increased hardstanding capacity to 150 boats.

Moreover, Malahide Marina has become an important location for boat sales in Ireland. Malahide Marina is the Irish agent for Parker Boats, Bavaria Yachts, Suzuki Outboard Engines, Garmin Marine Electronics, Fusion Sound Systems and Fischer Panda Generators.

In this, our Handbook, we try to give you a flavour of what you can expect berthing with us and the services we offer. Visitors will find all the necessary services in our fully equipped boatyard and marina centre to make your stay as relaxing and comfortable as possible while exploring the area.

Marine Training

Located at Malahide Marina, the MAST Centre is your local destination for professional, fully certified marine training.

Owning and operating a boat is a significant investment - and professional training is the smartest way to protect it. Skilled boat handling prevents costly damage, reduces wear and tear, and gives you the confidence to manoeuvre safely in a busy marine environment. In active marinas, understanding close-quarter handling, tides, wind effects and safe docking techniques is essential.

Training doesn't just improve safety - it transforms your enjoyment on the water. With the right knowledge in navigation, communication and emergency procedures, you relax more, explore further and gain far greater value from every outing.

As an accredited training centre affiliated with Irish Sailing, all our courses are nationally recognised and fully certified.

Our Courses Include:

- One-to-One or Group Powerboat Training – Beginner to Advanced levels
- Private Tuition – Tailored instruction for your own preferences
- ICC (International Certificate of Competence) – Required for boating in many European countries
- VHF Radio Courses – Essential marine communication and certification
- Navigation & Chartwork Courses – Passage planning, pilotage and safety at sea
- Marine First Aid – Practical emergency response training for boaters
- Practice/Refresher Sessions – ideal for returning boaters or building confidence before the season start

Whether you plan to boat locally or charter abroad, gaining your ICC licence ensures you meet international requirements and can boat confidently overseas.

Our experienced instructors deliver practical, hands-on training designed to build real competence - not just certificates.

Invest in your skills.
Protect your boat.
Enjoy your time on the water

Experience it

BAVARIA SR-LINE SR35

SPACE FOR INFINITE ADVENTURES

The BAVARIA SR35 is available in two versions: the classic HT hardtop version and the OPEN TOP with a lowered windscreen. As on board all motor yachts in the BAVARIA SR-LINE, the development of the BAVARIA SR35 focussed on space for life on deck. Below deck, the BAVARIA SR35 also impresses with a well thought-out room concept with generous space for four people.

Marina Information

MARINA APPROACH & ENTRANCE

The entrance to the estuary is well marked. Boats should proceed to the Fairway Buoy, also referred to as the Safewater Mark (Approx. Position: Lat. 53'27.101 Long.06'06.811 - Long Flash 10 sec). Proceed up the channel passing between the buoys leaving them to the appropriate side, up to the marina entrance. The buoys are lit after dark.

If you are visiting Malahide Marina for the first time, the following information is provided in good faith and **as a guide only.** Due to the nature of the channel, Malahide Marina Village Ltd. cannot be held responsible for any inaccuracies in this information.

As a rule of thumb and for guidance only, the depth at the Safe Water Mark is approximately 2 metres deeper than the shallowest point in the channel.
For vessels departing the marina, please check the depth of the metre stick for guidance of the depth at the bar.

MARINA BERTHS

Malahide Marina has 350 fully serviced berths and can accommodate vessels up to 50 metres L.O.A. and 3 metres draught alongside.

ACCESS

Access to pontoons and services building is by Access Card Readers only, which are issued upon check in.

BERTHING FEES

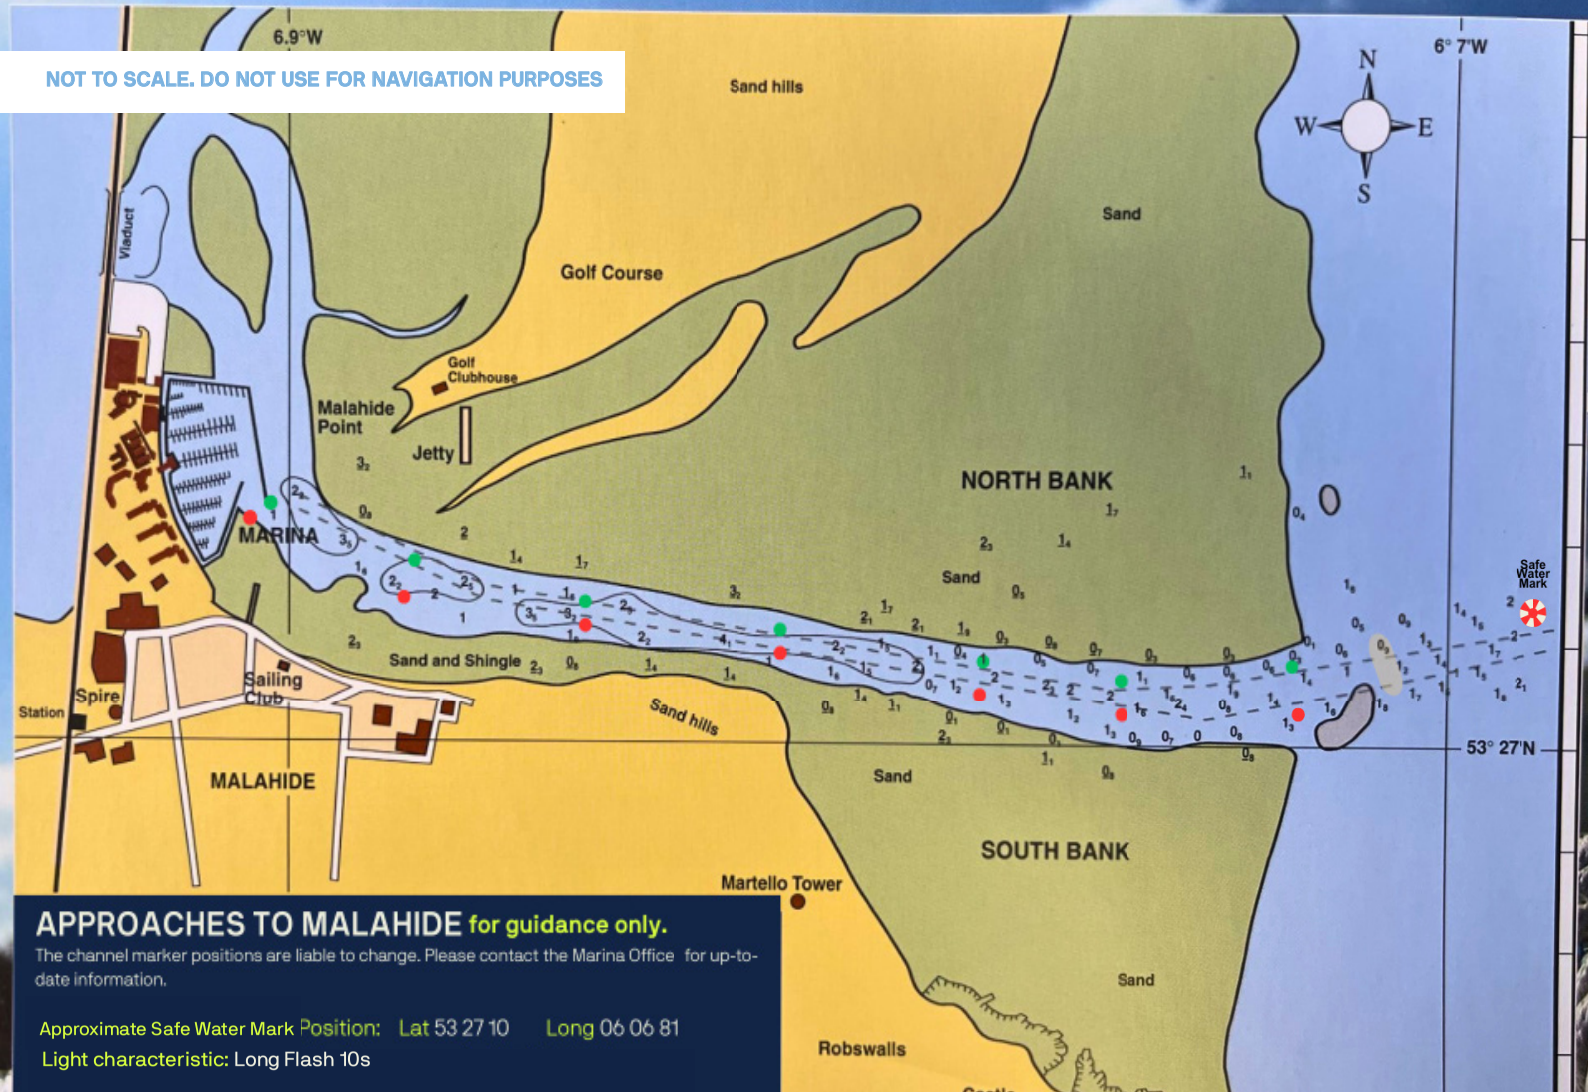

All fees must be paid in advance, with the exception of annual berthholders on instalment arrangements.

VISITORS' BERTHS

Visitors' berths are allocated on Dock A from A16 to A32.
To locate these berths, enter the marina and proceed along the inside of the eastern breakwater. Visitors staying aboard their vessels have easy access to the facilities at the marina centre. Visitors with special needs please contact the office.

Marina Safety

At Malahide Marina, we take safety very seriously. Therefore, please read the following guidance notes which set out basic safety procedures.

SECURITY/ACCESS

- Access to pontoons and services building is by Access Card only. This is issued upon checking in with the Marina Office.
- CCTV cameras cover the entrance of the marina, the boatyard and the car parks. It is forbidden to climb over railings or otherwise attempt to reach the docks, as to do so is hazardous.
- When entering the gate to the pontoons please do not allow people unknown to you to come through the gate. Refer them to the marina office for admittance.

MOORING LINES & WARPS

Please ensure mooring lines and warps are not left to foul the pontoon walkway when the vessel is away from the marina. Loose lines are a safety hazard. They remain part of the vessel's hull and machinery, and if they cause an accident, liability rests with the boat owner.

SAFETY POINTS

There are fixed safety ladders positioned on each leg of the marina. Be sure you know where they are situated.

SOS stations fitted with a lifebuoy and fire extinguishers are strategically located around the pontoons.

EMERGENCY

In case of an emergency call 112 or 999 and ask for the service you require.

FIRE DRILL

1. Raise the Alarm
2. Inform the Marina Office
3. Clear the area of people who may be in danger and particulalry those who are downwind of the fire.
4. Tackle the fire only if it is safe to do so.
5. In the event of a fire, gather at the fire muster point at the large black anchor near the marina centre entrance.

CHILDREN

Young children enjoy life afloat, but please ensure they wear lifejackets and are supervised at all times.

To ensure the safety of our marina, our officer Beau makes sure that everything goes smoothly.

MARINA SAFETY REGULATIONS

Wearing of lifejackets is compulsory on a pleasure craft of less than 7 metres LOA, and by persons under 16 years of age on all vessels. Please refer to the website www.coastguard.ie for detailed safety information.

General Information

Courtesy to Other Boat Users and Wildlife

Please, do not make excessive wake when passing other vessels, in particular power boats passing sail boats. Speed limits in the marina is 4 knots and in the estuary 5 knots. If boats are manoeuvring close to you, please allow them to complete their manoeuvre. Whenever possible assist in the berthing of another vessel.

For the last number of years seals have wintered in the marina and channel. We would ask your consideration for all wildlife.

Notes to New Boat Owners

1. Boats on a head on collision course alter course to starboard. (Pass port to port)
2. In a crossing situation, the vessel on the starboard side has right of way (if you're on the right, you're in the right).
3. Overtaking boats always give way.
4. Power boats give way to vessels **under sail.**
5. Any person who is in charge of a fast power boat in the estuary shall ensure that it is at all times under proper and adequate control and that it is driven at such reduced speeds as are necessary in the vicinity of bathers and/or other water users (including wind surfers, canoeists, etc) so as not to cause such bathers or other water users fear or anxiety or risk of injury. **5-knot speed limit in estuary.**
6. For more information on collision prevention, refer to the IRPCS (International Regulations for Preventing Collisions at Sea)

Cruising from Malahide

Malahide Marina is an ideal base for cruising the east coast of Ireland and the west coast of the UK. Destinations within reach for a days' sailing include Carlingford Marina to the North, situated in the beautiful surroundings of Carlingford Lough. For another good day sail from Malahide Marina, the islands of Lambay and Ireland's Eye have much to offer and are within easy reach and offer good anchorages. These islands are rich with wildlife and birdlife, and seal sanctuaries.

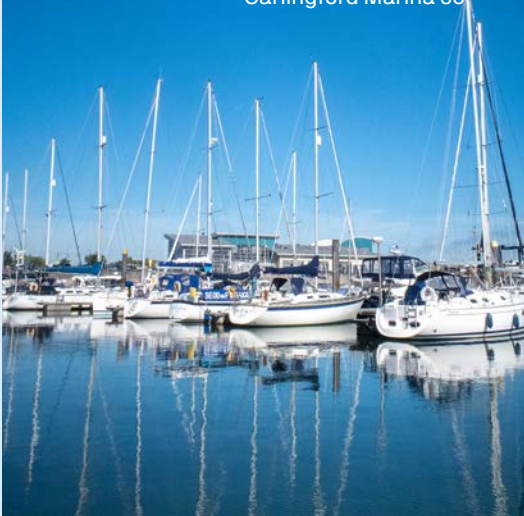

Shipping & General Weather Forecast

The current shipping forecast is displayed at the Marina Centre but the following may also be useful sources of weather information. Always check the forecast before you go afloat.

- Met Eireann www.met.ie
- **Dublin Coast Guard Radio: Listen on Channel 03**. Every three hours at 3 minutes past the hour (01:03, 04:03, 07:03, 10:03, 13:03, 16:03, 19:03, and 22:03).
- RTE Radio 1 (06:02: Sea Area Forecast, 07.55 Morning forecast & outlook for the coming days & 23:55: Late Night Land and Sea Area Forecast)

Malahide Boat Sales

Sell your Boat with us

Ireland's Trusted Marine Brokerage

Why choose us?

As experienced boaters, we understand what it takes to present your boat to the right buyers. Our brokerage combines years of market knowledge, strong international connections, and the trusted reputation of Malahide Marina.

Malahide Boats Advantage

- **6% Commission Rate** — Excellent value for professional service
- **Prime Marina Location** — Only minutes from Dublin Airport & just 25 min from Dublin city centre
- **Special Discounted Berthage rate** — Reduced rates while listed with us
- **International Visibility**— Extended reach through our partner networks in the UK and Spain

Maximum Exposure

- **International Platforms**: RightBoat, Apollo Duck, and major marine marketplaces
- **Professional Marketing**: Full-color brochures, walk-around videos, social media campaigns
- **Qualified Buyer Database:** Direct promotion to our CRM of ready-to-buy clients
- **SEO Optimized**:Top rankings when buyers search "boats for sale in Ireland"

Stress-free process

1. First, we perform a **condition check**, followed by preparing documentation.
2. Then, your boat is professionally marketed across **multiple platforms**, shared with our CRM buyer database, and promoted on-site at Malahide Marina.
3. Throughout the process, our team provides **personal guidance**—not only to help sell your current boat but also to advise you if you're planning to upgrade or buy a boat in Ireland.

What We Need

Selling with Malahide Boats is easy. Give us a call and we handle the rest.

Experience it

BAVARIA C-LINE C38

EASY HANDLING MAXIMUM USAGE

Perfect sailing characteristics, simple handling, maximum usage of the interior below decks and the highest level of comfort – what might once have been a contradiction in the field of yacht design, the new BAVARIA C38 proves to be possible without compromises. The BAVARIA V-shaped bow and distinctive chines at the stern are two crucial design elements of the new BAVARIA C38.

Boat yard Services

Boat Lifting & Hull Washing

Our experienced boatyard staff offer an excellent lifting service using our new Travel hoist capable of lifting vessels up to 40 tonnes with a maximum beam of 5.3 meters. Due to Health & Safety policies all hull washes are carried out only by Boatyard Staff.

Boat Mover

20-tonne hydraulic boat mover gives a greater degree of flexibility, and increased haulage capacity.

Mast Step/Un-step/Storage

Our travel hoist also boasts features like a 4-tonne crane. Dedicated mast storage area.

Keel removal and refitting

Expert keel removal and refitting services to ensure the structural integrity and performance of your vessel.

More about our yard

Cradle hire, props and chocks are available.
Shrink Wrapping Services.
Water & Electricity: available at the appropriate service bollards.
Toilets.

Our Services

BROKERAGE

Brokerage for new and pre-owned boats.

PETROL/DIESEL SUPPLY

Malahide Marina offer petrol and marine diesel from our fuel berth situated alongside the Hoist Bay on the Northern End of the Marina.

ELECTRICITY & FRESH WATER

Shore power is available at each berth through individual connections on the service pillars, which is metered on a per usage basis. Please contact the Marina Office to request electricity. Potable water supply is available to all berths from points along the docks.

FLOATING COFFEE CAT

Our new social space at Malahide Marina. Here you can meet for a coffee, gather to make plans for your next trip, share experiences, or simply to read and relax.

DISABLED FACILITIES

A separate self-contained lavatory and shower facility is available and immediately accessible from the lobby.

CAMPING GAZ

Stocks of the standard Camping Gaz cylinders type 904 and 907 are available on request. Please contact the Marina Office for further details.

LAUNDRY

Coin and token operated laundry facilities are available in the Reception Building. Tokens available from marina reception.

PETS

Domestic pets are permitted on the pontoons but must be kept on a leash at all times. Pets should not be allowed to foul the marina, boatyard or surrounding areas, nor cause any aggravation to Marina users.

REFUSE/ RECYCLING FACILITIES

Suitable refuse disposal points are available within the marina. Please use these for the disposal of domestic refuse and segregate refuse appropriately. Do not leave it on the pontoons or throw it overboard.

RETAIL

Within 5 minutes' walk of the Marina, you will find supermarkets, shops, cafes, bars, restaurants, hardware, cashpoints, pharmacies and Post Office.

TOILETS & SHOWERS

Facilities are available 24 hours a day including toilets, showers, disabled facilities and a family bathroom, all located on the ground floor in the marina centre. For the convenience of those working in the boatyard, toilet facilities are available close to the hoist bay.

TROLLEYS

Trolleys are available for the convenience of berth holders. Please return these after use, as others may wish to use them. Children should not 'ride' in trolleys.

VHF RADIO

We maintain watches on VHF Ch 37 (M), 80 (M2). Call sign Malahide Marina.

CAR PARKING

An ample amount of Car Parking (Pay & Display) is available for berth holders and visitors adjacent to the marina. Annual berth holders can purchase a discounted parking permit to cover unlimited parking for the duration of their license. Short Term permits are also available from the Marina Office for shorter stays. Please note: Clamping is in operation for unauthorised vehicles. All vehicles are parked at owner's risk. Do not leave valuables visible in your car. Speed limit within the marina village of 15kph, and roadways are ramped.

MARPOL ENVIRONMENTAL CHARGES

The Marina is required to show an Environmental Waste Charge - under the International Convention for the Prevention of Pollution from Ships (MARPOL) - as a separate item on any invoice as appropriate. Following due consideration, the fairest and most equitable way to apply a waste charge is by a sliding scale based on the size of the vessel.

BY-LAWS OF FINGAL COUNTY COUNCIL

We must bring to your attention the by-laws of Fingal County Council governing Speed Restrictions and use of PWC in the channel. Any person who is in charge of a fast powerboat in the estuary shall ensure that it is at all times under proper and adequate control and that it is driven at such reduced speeds as are necessary in the vicinity of bathers and/or other water users, including canoeists, wind surfers etc) so as not to cause such bathers or other water users fear or anxiety.

SPEED RESTRICTIONS

Please observe a DEAD SLOW speed limit and do not create wash within the confines of the marina. There is a speed limit in the marina of 4 knots.

MARINA OFFICE

The main Marina Administration Office is open from 09.00 to 17.00 hrs local time, Monday to Friday, except for Public and Bank Holidays. Outside these hours and at weekends our experienced and helpful berthing masters are available to deal with routine daily administration tasks: supply of and payment for fuel, payment of overnight dues, sale of gas, laundry tokens, car parking etc.

INSURANCE

It is a requirement of the Marina Rules that all vessels berthed or requiring storage ashore at the marina have a current insurance policy with third party insurance cover in place, and a copy of same must be supplied to the Marina office.

FISHING & SWIMMING

Fishing and Swimming are not allowed within the confines of the marina.

METRE STICKS

There are two meter sticks within the marina basin to give an indication as to the depth of water at the bar. These are located on B dock and along the main walkway at D dock.

WATER QUALITY

Please do not use the heads on board your vessel whilist in the marina - this is strictly forbidden.

CHANDLERY/SAIL MAKERS

Watson Sails (Howth)
Marine Parts Direct (Swords)
Doyle Sails (Dún Laoghaire)
Downer Iternational (Dún Laoghaire)
Uk Sailmaker (Cork)

IRISH SAILING & RYA TRAINING CENTRE

Even if boating was not a part of your childhood, it's never too late to join in. At Malahide Marina, instruction courses are available at the MAST Centre in our lobby area, and in just a few enjoyable lessons any new boat owner can become a competent boat handler.

Things to do

Malahide is one of Ireland's most beautiful and well-known towns and has won many prestigious awards. Situated along a stretch of Dublin Bay's scenic coastline, Malahide boasts a heritage village, a national visitor attraction at Malahide Castle, world class restaurants, cafes, and pubs, library, along with beautiful sandy beaches. The village has a vibrant atmosphere, offering a varied range of individually owned and unique shops offering fashion, gifts and traditional crafts. Perfect for a day of retail therapy, browse the boutiques and book shops, find a bargain and take a break for lunch or coffee in one of the many cafes.

Malahide Castle and Botanic Gardens

No visit to Malahide would be complete without a visit to Malahide Castle Demesne, situated just 10 minutes' walk from the marina, and comprised of parkland, wooded walks, a children's playground, the beautiful Talbot Botanic Gardens covering an area of 22 acres and containing over 5,000 different species of plants, and the Butterfly House. The Butterfly House, within the parklands of Malahide Demesne, is a fascinating sanctuary and educational haven where you can explore the diversity and beauty of butterfly species.

Malahide Library

The public library is located on Main Street. Whether you want information, to read a book, or do research, opening hours are: Monday to Thursday from 10am to 8:30pm. Friday and Saturday from 10am to 5pm.

Leisure Centres

There are 2 main leisure centres within the region of Malahide: Portmarnock Sports & Leisure Centre, and The Arena. There is also a public gym Platinum Gyms.

Malahide Beach & Coastal Walk

Malahide is home to golden sandy beaches, miles of beautiful rugged coastline and stunning views of Lambay Island, the Howth peninsula and Dublin Bay. Relax on the beach, go for a swim or take in the sea air and beautiful scenery on this coastal walk. The Velvet Strand in Portmarnock just two miles from Malahide, is a 2-mile stretch of sandy beach and sand dunes, flanked by Portmarnock Golf Club. The beach is a designated blue flag beach and popular for swimming.

Fry Model Railway Museum

Experience the iconic model railway collection, now housed in the beautifully restored Casino cottage in the heart of Malahide Village and just a 10-minute walk from Malahide Marina. The Casino cottage, described as one of the finest thatched cottages in the country, has been a landmark in the picturesque village of Malahide for over 200 years.

Golf

There are many Golf clubs in the area, including the championship links courses at the Island Golf Club, situated across the estuary from the Marina and Portmarnock Golf Club. Pitch and Putt: Public pitch and putt course, and club hire, is situated in the grounds of Malahide Castle Demesne.

Tennis

Public tennis courts are situated in the grounds of Malahide Castle Demesne.

Travel & Services

Air: The nearest airport is Dublin International Airport which is 7km from Malahide. This can be reached via Dublin bus route 102 or by taxi. **Bus**: There are regular bus services from surrounding areas into Malahide, and into Dublin City Centre. The town is serviced by Dublin Bus routes H2, 42 and 102. **Rail**: There is a regular DART and Train service from Malahide to Dublin City Centre. The DART line links Malahide to Greystones port. By rail it takes approx. 25 mins to Dublin City Centre. There are also train services to Drogheda and Dundalk. **Road**: Road links with Malahide Marina are excellent and there is a direct road link to the M1 National Primary Route via the R106 Swords-Malahide road.

Car Hire/Taxi: There are a number of local taxis and cab hire services adjacent to the marina. You can find two GoCar cars in our parking available for our customers with a discount. **Bicycle Hire**: Bike hire is available locally in the village at designated rental spots. There is also a bike hire centre located in Malahide Castle Demesne.

Dublin City

Given our proximity to Dublin City, you might check out the website www.dublintourist.com for a wealth of information on whatever aspect of the city interest you: Theatres, Museums and Galleries, Historic Buildings and Churches, all in abundance just 30 minutes from Malahide Marina.

At Malahide Marina, we always strive to offer our berth holders more than just a safe place to moor. We want to open up a world of cruising possibilities. That is why we are proud members of TransEurope Marinas, Europe's most extensive marina network. But what does this mean for you, and how can it transform your cruising plans for the season ahead?

TransEurope Marinas is a prestigious association of select marinas across Europe. It was created with a simple goal: to encourage sailors to explore new coastlines while enjoying the comfort and quality they are used to at home. The network currently includes over 84 marinas across 11 countries, stretching from the UK and Ireland to France, Spain, Portugal, and even as far as Greece and Croatia.

Being part of this group isn't just about putting a logo on our website. Member marinas are carefully selected for their high standards of service, facilities, and visitor welcome. By joining, we connect Malahide Marina to a community of like-minded destinations that prioritize quality and hospitality. Here is how it works:

1. Eligibility: If you have an annual berthing contract (or a contract of at least 6 months) with us, you are automatically eligible for a TransEurope digital membership card.
2. The Discount: You receive a 50% discount on daily visitor rates for up to 5 consecutive days per year in each of the 75+ member marinas.
3. The Network: This applies to marinas in the UK (including Bangor, Conway, and Plymouth), France, Spain, and beyond. It's perfect for summer cruises or weekend getaways.

Boat Yard Cleanliness

Customers/Contractors must ensure work area around vessel is kept in a clean and tidy manner. A charge of €100 will be levied if a vessel launches without tidying area to cover the costs of cleaning and waste disposal.

Conditions

1. Winter storage subject to availability
2. Repairs of a major nature to be executed by Malahide Marina Village staff or by approved contractors with appropriate insurance cover.
3. Supplies of electricity and water are subject to availability. Electricity is charged at a minimum rate (POA). Malahide Marina Village reserve the right to meter electricity supplied to any vessel in the Marina or Boat Yard
4. Invoices must be paid in full prior to launching
5. All vessels stored ashore remain subject to the Marina Terms and Conditions.
6. All contractors must submit insurance and a health and safety statement to the office prior to commencing work
7. Staying onboard the vessel whilst in the yard is not permitted at any time.

Boat Yard tariffs include VAT. Prices may vary subject to VAT rate changes
Due to health and safety regulations, all hull washes must be carried out by Yard staff
**An Annual Berth Holder is defined as a customer with a berthage licence taken for twelve months afloat*

Berth Allocation

In the interests of safety and security, it is essential that all vessels remain in the berths assigned. Vessels not returned to their assigned berth will be moved by Marina staff and a charge applied.

Conditions

All Licences are subject to availability, and all fees are payable in advance.

1. All Berthage Licences are payable in full in advance. Exceptions are Annual Berth Holders who can pay monthly by standing order subject to a 4% surcharge
2. Charges include berthage, fresh water and access to Marina Facilities
3. Multihull vessels and floating pontoons will be subject to a surcharge of 50%
4. Commercially operating vessels will be subject to a surcharge of 50%
5. An administration charge of 10% will be levied against any non-contract vessels having left the marina prior to settling their account. Any monies which are not paid on due date shall attract interest at the rate of 2% per month. A further 10% charge will apply on arrears outstanding in excess of 2 months
6. Any termination or altering of contract will incur an administration fee of €250
7. For standard berthing there is a minimum charge based on a vessel of 6 metres L.O.A.
8. Contract berthing terms are binding to both parties
9. Supplies of electricity and water are subject to availability. Electricity is charged at a minimum rate (POA). Malahide Marina Village reserve the right to meter electricity supplied to any vessel in the Marina or Boat Yard.
10. No boat to be used for habitation whilst ashore or afloat.
11. Lost/Damaged Car Permits are replaceable at FULL COST.

* L.O.A. (Length Overall) is the maximum length of any vessel and includes all overhangs such as but not limited to push pits, pulpits, davits, overhanging tenders and bowsprits

A HEARTFELT THANK YOU

Since 1992, Malahide Marina has been more than just a marina—it has been a home for passionate boaters, a gathering place for adventurers, and a community built on trust, friendship, and a shared love for the sea.

To our berth holders, visitors, and everyone who has sailed through our waters, thank you. Thank you for your trust, for your stories, for your smiles, and for making every year better than the last. Your passion for the sea inspires us to keep growing, improving, and offering the very best in service and experience.

As we look ahead, we remain committed to providing the highest standards, expanding our services, and ensuring that Malahide Marina continues to be a place where memories are made and journeys begin.

From all of us at Malahide Marina, thank you for being part of our story. We look forward to many more years of navigating the future together!

Fair winds and calm seas,
Malahide Marina Team
